One Touch

BUILDER GEL

The One Touch is a line of innovative nail gels with self-leveling properties and thixotropy. The liquid memory in the product makes application easier, making One Touch perfect for the no-filing technique.

- Middle-thick consistency
- Self-leveling, works great with the brush
- Reduces the performance time
- You can use it to make extensions on a template and with Dual Form

AVAILABLE COLORS:

Fluffy Gel

FOR PERFECT SHAPE

Building gel with jelly consistency. Available in semi-transparent milky pink shade.

- Self-leveling on top
- Mission impossible Gel
- Works great with the brush minimizing filing
- For correcting nails that grow downwards, and for adding side extensions, without the need to use a template

Dual Shape System

AVAILABLE
35 g
CAPACITY

Dual Shape System is an innovative formula. It is a combination of both acrylic and gel. It combines the elasticity and endurance of both types of products. Dual Shape System contains: Dual Shape, Magic Shape and Dual Form. Magic Shape is necessary to spread the product.

Dual Shape

- Hard and thick product, that needs the Magic Shape to be spreaded
- The combination of the gel's elasticity and acrylic's hardness
- Does not run down towards cuticles, allows you to sculpt 5 nails at once
- Reduces the filling time when applied correctly

AVAILABLE COLORS:

FORM THE PRODUCT USING THE MAGIC SHAPE ON CURED LAYER OF BASE GEL - BASE GEL UV OR BASE GEL UV 2.0.

CURE IN DUAL LED LAMP FOR 60S.

Dual Shape System

Magic Shape

Innovative auxiliary liquid product made to form the acrylgel Dual Shape. Magic Shape is an oily, light-cured product that makes the nail surface perfect and smooth. It makes the product application easier and faster. It is not a building gel! Magic Shape is also perfect for brushes cleaning. It won't damage the bristle.

Tools

Pusher and cuticle nippers are professional, ergonomic stainless steel tools that combine precision and comfort for manicure and pedicure. The double-ended pusher gently pushes back cuticles, while the nippers with 3 mm or 5 mm blades allow precise removal of cuticles, even in hard-to-reach areas. Both tools are durable and resistant to disinfection and sterilization.

Lamp

UV/LED LAMP SAUTE NAILS 72W

UV/LED Lamp Saute Nails 72W is a professional device for curing light-curable products. Equipped with 36 LED/UV diodes, an automatic sensor, 4 time settings, and 3 power levels, it ensures fast, even, and reliable curing. Its modern design with a replaceable diode panel provides comfort of use and long service life, making it ideal for nail styling salons.

- Power 72W and 36 LED/UV diodes – even and fast curing
- Automatic sensor – no need for manual activation
- 4 timer settings: 10s, 30s, 60s, 120s
- 3 power levels – full control over the curing process
- Replaceable diode panel – longer lifespan and reliability

Shea Serum

A PERFECT FINISH OF EVERY NAIL DESIGN

AVAILABLE
15 ml
CAPACITY

WHAT'S INSIDE?

JOJOBA OIL

can penetrate the deep skin layers it works perfectly for both dry and oily skin.

SWEET ALMOND OIL

regenerates the skin lipid barrier and hydrates the cuticle.

SUNFLOWER SEEDS OIL

keeps the skin smooth and nourished.

SHEA BUTTER

makes the skin nourished and speeds up the wounds healing process. It's a rich source of vitamin A & E so it prevents the skin from aging.

VITAMIN E

has the ability to seal the cell membrane and keep the water inside the tissue - so it makes the skin soft, well hydrated and elastic.

...PLUS THE INCREDIBLE SCENT!

ALL IN ONE, LOVELY BOTTLE THAT STEALS THE HEART OF EVERY BEAUTY ENTHUSIAST!
USE IT EVERYDAY TO KEEP YOUR HANDS BEAUTIFUL AND SOFT!

Ombre Set

HOLDER + 100 SPONGES

Ombre Set is a professional set designed to create a flawless ombre effect. It includes a durable metal holder and 100 ready-to-use square sponges that allow for smooth color transitions and perfectly blended gradients without streaks. The flexible sponge material ensures even application, while the ergonomic holder provides a comfortable and precise grip. Quick sponge replacement makes the tool practical and efficient, allowing you to achieve beautiful ombre designs with ease.
